March 11, 2016

Dear Parent/Guardian,

Mount View Middle School opened in August 1993. Visitors to our building often remark how nice the building looks and they are surprised to learn that MVMS is 23 years old. Over the past 12 years many changes have taken place that include complete repainting, carpet replacement throughout, telephone upgrades, renovations to the front office and student services, addition of an outdoor classroom and butterfly garden, and most recently new tile floors in hallways/stairwells and some classrooms plus a new roof. In addition, this summer our front entrance walkway area will under go a complete renovation and I hope to share the design plan with you very soon.

Our marquee sign located at the corner of Woodford and Route 99, however, is showing signs of age and needs extensive repairs or replacement. School signs are not funded through the HCPSS budget and our original sign would have, most likely, been purchased through PTA and/or community donations. In order to help meet our financial goal, MVMS will hold a "Marquee Sign Campaign" with a goal of raising \$10,000. Throughout our campaign a donation goal thermometer will be on display in the front windows to keep the community abreast of the progress towards our goal. This campaign will run through May 2, 2016.

Your family's donation is tax-deductible and can be made by check (payable to MVMS) or online through OSP via the MVMS website. Please complete and submit the form at the bottom of this letter with your donation. Business donations are also welcome! If you are connected to a local business or your company offers matching donations, please consider sharing our donation campaign. All donors will be acknowledged in *ViewPoint* and on the school website, (unless you prefer otherwise).

It is exciting to think that together we can make an improvement to MVMS that will continue to keep our families and community informed about events and happenings for many years to come. Thank you in advance for your support.

With Kind Regards,

*Tammy Goldeisen*  
Principal

*✂ Cut here and return to the MVMS Front Office with your donation.*
