Mount View Middle School
SCHOOL IMPROVEMENT PLAN AT A GLANCE
2018 – 2019

**Mount View Middle School: Vision and Mission**

**Our Vision:** Mount View Middle School strives to ensure every child is inspired to learn and empowered to be their best.

**Our Mission:** Mount View Middle School creates a vibrant learning community that prepares students to thrive in a dynamic world.

**HCPSS Strategic Call to Action**

Learning and Leading with Equity
“*The Fierce Urgency of Now*”

**Vision:** Every student and staff member embraces diversity and possesses the skills, knowledge and confidence to positively influence the larger community.

**Mission:** HCPSS ensures academic success and socioemotional well-being for each student in an inclusive and nurturing environment that closes opportunity gaps.

**HCPSS Four Overarching Commitments**

**Value** - Every HCPSS stakeholder feels happy and rewarded in their roles and takes pride in cultivating the learning community.

**Achieve** - An individual focus supports every person in reaching milestones for success.

**Connect** - Students and staff thrive in a safe, nurturing and inclusive culture that embraces diversity.

**Empower** - Schools, families and the community are mutually invested in student achievement and well-being.

**School Targets and Strategies**

**Literacy Target:** In SY 2018-2019, 73% of Mount View Students will achieve a 4 or 5 on the PARCC ELA/Literacy Assessment

**Math Target:** In SY 2018-2019, 77% of Mount View Students will achieve a 4 or 5 on the PARCC Math Assessment

**Literacy Strategies**

1. In order to impact literacy performance, teachers will design lessons that provide opportunities for students to demonstrate their mastery of PARCC standards from content-specific learning tasks.

2. In order to impact literacy performance, teachers will utilize class and individual test data to align and design content-specific assessments (formative/summative) that accurately assess and measure PARCC learning standard mastery.

**Math Strategies**

1. In order to impact math performance, instructional staff selects and implements learning tasks that require students to model their answers in various formats such as writing, graphing, tables, equations, and/or pictorial models.

2. In order to impact math performance, instructional staff will monitor the progress of individual students and provide high quality feedback that is timely, appropriate and focused on concept mastery.
