Sticky Notes 3x3 (100/pk)	1 pack	1 pack (1x1)	4 packs

**French:** 1 durable five subject notebook

**Chinese:** 1 one inch binder

**Spanish 1:** *Due to having multiple Spanish 1 teachers, we advise all Spanish 1 students to wait until after their class syllabus is posted on Canvas in order to purchase the needed supplies for Spanish 1.*

**Spanish 2:** 1 one inch binder

**Art 7 and 8:** 9x12 or 8x10 sketch book, block eraser

**FACS:** 1 pocket folder

**A Student Planner** will be provided by the school.

The **TI-84 Plus Calclator** is recommended for students taking Algebra or Geometry. Graphing calculators are an important technology used in HCPSS mathematics courses beginning with pre-algebra and extending through the end of the mathematics course sequence. Although students will be provided with a graphing calculator for use in school and have the ability to borrow one for out of school use, students are best served by having a personal calculator and becoming very familiar with how it is used to address a number of different type of mathematics problems. Students who go on to take mathematics courses in college will often be able to use the same calculator for college course work.
